Terms of Reference

The College Advisory Board may advise the College Chair and Dean of the College on each of the following:

- the future direction of any of the College's disciplines in relation to education and research;
- the research and educational programs of the College, including their quality;
- outreach activities and cross-campus linkages;
- the terms of reference and membership of specialist committees of the College Advisory Board;
- any other matter referred to it by the College Chair/College Dean.
