

Course Credit and Exemption Application

Course Details Form

Name:

ANUID:

Please provide details of the prior learning for which credit or exemption is sought. If you are applying for specified credit or exemption, list the specific course below. If you are applying for unspecified credit, list 'technical elective*' or 'ANU elective**' below.

Make sure to upload this form as part of the online ANU CECS Course Credit and Exemption Application.

*Technical electives are courses that cover the overall learning outcomes of your degree and are awarded as engineering or computer science electives.

**ANU electives are courses that cover the learning outcomes of any course offered at ANU and are awarded as non-technical electives.

ANU course(s) you are applying for credit/exemption	Equivalent course(s) completed through prior academic studies.			
Course Code + Name	Institution or Workplace	Course Code + Name or Qualification	Type of Prior Learning	Comments
<i>e.g. COMP1600 - Foundations of Computing</i>	<i>e.g. Monash University</i>	<i>e.g. FIT1008 – Introduction to Computer Science</i>	<i>e.g. Formal</i>	<i>e.g. Web links for course outlines or personal knowledge/understanding comments</i>
