7.1 Other than those which have already been disclosed to the Commonwealth, the Grantee warrants that, to the best of its knowledge, at the date of this Agreement, neither it nor its officers have any actual, perceived or potential conflicts of interest in relation to the Activity.

7.2 If during the term of the Agreement, any actual, perceived or potential conflict arises or there is any material change to a previously disclosed conflict of interest, the Grantee agrees to:

(a) notify the Commonwealth promptly and make full disclosure of all relevant information relating to the conflict; and

(b) take any steps the Commonwealth reasonably requires to resolve or otherwise deal with that conflict.

8. Variation, assignment and waiver

8.1 This Agreement may be varied in writing only, signed by both Parties.

8.2 The Grantee cannot assign its obligations, and agrees not to assign its rights, under this Agreement without the Commonwealth’s prior approval.

8.3 The Grantee agrees not to enter into negotiations with any other person for the purposes of entering into an arrangement that will require novation of, or involve any assignment of rights under, this Agreement without first consulting the Commonwealth.

8.4 A waiver by a Party of any of its rights under this Agreement is only effective if it is in a signed written notice to the other Party and then only to the extent specified in that notice.

9. Taxes, duties and government charges

9.1 The Grantee agrees to pay all taxes, duties and government charges imposed or levied in Australia or overseas in connection with the performance of this Agreement, except as provided by this Agreement.

9.2 If Goods and Services Tax (GST) is payable by a supplier on any supply made under this Agreement, the recipient of the supply will pay to the supplier an amount equal to the GST payable on the supply, in addition to and at the same time that the consideration for the supply is to be provided under this Agreement.
9.3 The Parties acknowledge and agree that they each:
(a) are registered for GST purposes;
(b) have quoted their Australian Business Number to the other; and

9.5 The Grantee agrees not to issue tax invoices in respect of any taxable supplies.

9.6 If the Grantee is not, or not required to be, registered for GST, then:
(a) clauses 9.3(a), 9.4 and 9.5 do not apply; and
(b) the Grantee agrees to notify the Commonwealth in writing within 7 days of becoming registered for GST if during the term of the Agreement it becomes, or is required to become, registered for GST.

10. Spending the Grant
10.1 The Grantee agrees to spend the Grant for the purpose of performing the Activity and otherwise in accordance with this Agreement.

10.2 Within 90 days after the Activity Completion Date, and at least every 12 months during the term of the Agreement, the Grantee agrees to provide the Commonwealth with an independently audited financial acquittal report verifying that the Grant has been spent in accordance with this Agreement.

10.3 The reports under clause 10.2 must be audited by:

(a) has been spent other than in accordance with this Agreement; or
(b) is additional to the requirements of the Activity
then the Commonwealth may, by written notice:
(c) require the Grantee to repay that amount to the Commonwealth;
(d) require the Grantee to deal with that amount as directed by the Commonwealth; or
(e) deduct the amount from subsequent payments of the Grant or amounts payable under another agreement between the Grantee and the Commonwealth.

11.2 If the Commonwealth issues a notice under this Agreement requiring the Grantee to repay a Grant amount:
(a) the Grantee must do so within the time period specified in the notice;
(b) the Grantee must pay interest on any part of the amount that is outstanding at the end of the time period specified in the notice until the outstanding amount is repaid in full; and
(c) the Commonwealth may recover the amount and any interest under this Agreement as a debt due to the Commonwealth without further proof of the debt being required.

12. Record keeping

12.1 The Grantee agrees to keep financial accounts and other records that:
(a) detail and document the conduct and management of the Activity;
(b) identify the receipt and expenditure of the Grant and any Other Contributions separately within the Grantee’s accounts and records so that at all times the Grant is identifiable; and
(c) enable all receipts and payments related to the Activity to be identified and reported.

12.2 The Grantee agrees to keep the records for five years after the Activity Completion Date or such other time specified in the Grant Details and provide copies of the records to the Commonwealth upon request.

13. Reporting and liaison

13.1 The Grantee agrees to provide the Reporting Material specified in the Grant Details to the Commonwealth.

13.2 In addition to the obligations in clause 13.1, the Grantee agrees to:
(a) liaise with and provide information to the Commonwealth as reasonably required by the Commonwealth; and
(b) comply with the Commonwealth’s reasonable requests, directions, and monitoring requirements, in relation to the Activity.

13.3 If the Commonwealth acting reasonably has concerns regarding the performance of the Activity or the management of the Grant, the Commonwealth may by written notice require the Grantee to provide one or more additional reports, containing the information and by the date(s) specified in the notice.

13.4 The Grantee acknowledges that the giving of false or misleading information to the Commonwealth is a serious offence under the Criminal Code Act 1995 (Cth).

14. Privacy

14.1 When dealing with Personal Information in carrying out the Activity, the Grantee agrees:
(a) to comply with the requirements of the Privacy Act 1988 (Cth);
(b) not to do anything which, if done by the Commonwealth, would be a breach of an Australian Privacy Principle;
(c) to ensure that any of the Grantee’s subcontractors or personnel who deal with Personal Information for the purposes of this Agreement are aware of the requirements of the Privacy Act 1988 (Cth) and the Grantee’s obligations under this
clause;
(d) to immediately notify the Commonwealth if the Grantee becomes aware of an actual or possible breach of this clause by the Grantee or any of the Grantee’s subcontractors or personnel.

14.2 In carrying out the Activity, the Grantee agrees not to send any Personal Information outside of Australia without the Commonwealth’s prior written approval. The Commonwealth may impose any conditions it considers appropriate when giving its approval.

15. Confidentiality

15.1 The Parties agree not to disclose each other’s confidential information without the other Party’s prior written consent unless required or authorised by law or Parliament to disclose.

15.2 The Commonwealth may disclose the Grantee’s confidential information where:
(a) the Commonwealth is providing information about the Activity or Grant in accordance with Commonwealth accountability and reporting requirements;
(b) the Commonwealth is disclosing the information to a Minister of the Australian Government, a House or Committee of the Commonwealth Parliament; or
(c) the Commonwealth is disclosing the information to its personnel or another Commonwealth agency where this serves the Commonwealth’s legitimate interests.

16. Insurance

16.1 The Grantee agrees to:
(a) conduct a risk assessment to identify the risks associated with undertaking the Activity; and
(b) effect and maintain adequate and appropriate insurance to mitigate the risks identified in the risk assessment prepared under clause 16.1(a).

16.2 The Grantee agrees to provide proof of insurance to the Commonwealth upon request and within the time specified in the request.

17. Intellectual property

17.1 The Grantee owns the Intellectual Property Rights in Material created by the Grantee as a result of undertaking the Activity, subject to the relevant Partner Agreement.

17.2 The Grantee provides the Commonwealth a permanent, non-exclusive, irrevocable, royalty-free licence to use, modify, communicate, publish, adapt and sub-license the Reporting Material for Commonwealth Purposes.

17.3 The licence in clause 17.2 does not apply to Activity Material.

17.4 This Agreement does not affect the ownership of Intellectual Property Rights in Existing Material.

18. Dispute resolution

18.1 The Parties agree not to initiate legal proceedings in relation to a dispute arising under this Agreement unless they have first tried and failed to resolve the dispute by negotiation.

18.2 Unless clause 18.3 applies, the Parties agree to continue to perform their respective
obligations under this Agreement when a dispute exists.

18.3 The Parties may agree to suspend performance of the Agreement pending resolution of the dispute.

18.4 Failing settlement by negotiation in accordance with clause 18.1, the Parties may agree to refer the dispute to an independent third person with power to intervene and direct some form of resolution, in which case the Parties will be bound by that resolution. If the Parties do not agree to refer the dispute to an independent third person, either Party may initiate legal proceedings.

18.5 Each Party will bear their own costs in complying with this clause 18, and the Parties will share equally the cost of any third person engaged under clause 18.4.

18.6 The procedure for dispute resolution under this clause does not apply to any action relating to termination, cancellation or urgent interlocutory relief.

19. Reduction, Suspension and Termination

19.1 Reduction in scope of agreement for fault

19.1.1 If the Grantee does not comply with an obligation under this Agreement and the Commonwealth believes that the non-compliance is incapable of remedy, or if the Grantee has failed to comply with a notice to remedy, the Commonwealth may by written notice reduce the scope of the Agreement.

19.1.2 The Grantee agrees, on receipt of the notice of reduction, to:

(a) stop or reduce the performance of the Grantee’s obligations as specified in the notice;

(b) take all available steps to minimise loss resulting from the reduction;

(c) continue performing any part of the Activity or the Agreement not affected by the notice if requested to do so by the Commonwealth;

(d) report on, and return any part of, the Grant to the Commonwealth, or otherwise deal with the Grant, as directed by the Commonwealth.

19.1.3 In the event of reduction under clause 19.1.1, the amount of the Grant will be reduced in proportion to the reduction in the scope of the Agreement.

19.2 Suspension

19.2.1 If:

(a) the Grantee does not comply with an obligation under this Agreement and the Commonwealth believes that the non-compliance is capable of remedy

(b) the Commonwealth reasonably believes that the Grantee is unlikely to be able to perform the Activity or manage the Grant in accordance with this Agreement; or

(c) the Commonwealth reasonably believes that there is a serious concern relating to this Agreement that requires investigation;

the Commonwealth may by written notice:

(d) immediately suspend the Grantee from further performance of the Agreement (including expenditure of the Grant); and/or

(e) require that the non-compliance or inability be remedied, or the investigation be completed, within the time specified in the notice.
19.2.2 If the Grantee:

(a) remedies the non-compliance or inability specified in the notice to the Commonwealth’s reasonable satisfaction, or the Commonwealth reasonably concludes that the concern is unsubstantiated, the Commonwealth may direct the Grantee to recommence performing the Activity; or

(b) fails to remedy the non-compliance or inability within the time specified, or the Commonwealth reasonably concludes that the concern is likely to be substantiated, the Commonwealth may reduce the scope of the Agreement in accordance with clause 19.1 or terminate the Agreement immediately by giving a second notice in accordance with clause 19.3.

19.3 Termination for fault

19.3.1 The Commonwealth may terminate this Agreement by notice where the Grantee has:

(a) failed to comply with an obligation under this Agreement and the Commonwealth believes that the non-compliance is incapable of remedy or where clause 19.2.2(b) applies

(b) provided false or misleading statements in relation to the Grant; or

(c) become bankrupt or insolvent, entered into a scheme of arrangement with creditors, or come under any form of external administration.

19.3.2 The Grantee agrees, on receipt of the notice of termination, to:

(a) stop the performance of the Grantee’s obligations;

(b) take all available steps to minimise loss resulting from the termination; and

(c) report on, and return any part of, the Grant to the Commonwealth, or otherwise deal with the Grant, as directed by the Commonwealth.

20. Cancellation or reduction for convenience

20.1 The Commonwealth may cancel or reduce the scope of this Agreement by notice, due to:

(a) a change in government policy; or

(b) a Change in the Control of the Grantee which the Commonwealth reasonably believes will negatively affect the Grantee’s ability to comply with this Agreement.

20.2 On receipt of a notice of reduction or cancellation under this clause, the Grantee agrees to:

(a) stop or reduce the performance of the Grantee’s obligations as specified in the notice; and

(b) take all available steps to minimise loss resulting from that reduction or cancellation; and

(c) continue performing any part of the Activity or the Agreement not affected by the notice if requested to do so by the Commonwealth;

(d) report on, and return any part of, the Grant to the Commonwealth, or otherwise deal with the Grant, as directed by the Commonwealth.

20.3 In the event of reduction or cancellation under this clause, the Commonwealth will be liable only to:

(a) pay any part of the Grant due and owing to the Grantee under this Agreement at the
date of the notice; and
(b) reimburse any reasonable and substantiated expenses the Grantee unavoidably incurs that relate directly and entirely to the reduction in scope or cancellation of the Agreement.

20.4 In the event of reduction, the amount of the Grant will be reduced in proportion to the reduction in the scope of the Agreement.

20.5 The Commonwealth’s liability to pay any amount under this clause is:
(a) subject to the Grantee’s compliance with this Agreement; and
(b) limited to an amount that when added to all other amounts already paid under the Agreement will not exceed the total amount of the Grant.

20.6 The Grantee will not be entitled to compensation for loss of prospective profits or benefits that would have been conferred on the Grantee but for the cancellation or reduction in scope of the Agreement under clause 20.1.

20.7 The Commonwealth will act reasonably in exercising its rights under this clause.

CRC Program - Independent audit report

Background

These templates assist grant recipients (and their auditors) to understand the audit requirements under a Cooperative Research Centres grant agreement. For further information contact us on 13 28 46 or at business.gov.au.

All [program name] grant recipients enter into a grant agreement with the Commonwealth. Under this grant agreement, when an independent audit report is required the grant recipient must provide us with:

- a statement of grant income and expenditure against the expenditure categories under the grant agreement (attachment A)
- an independent audit report on the statement of grant income and expenditure (attachment B)
- certification of certain matters by the auditor (attachment C).

You can find additional information on [program name] at business.gov.au or by calling us on 13 28 46.

Eligible expenditure

Advice on eligible expenditure for projects under the Cooperative Research Centres can be found in Cooperative Research Centres program guidelines. These guidelines are revised from time to time and therefore more than one version of the document may exist. For Cooperative Research Centres grant recipients, the relevant guidelines are those that were effective at the time the application was accepted.

It is essential that grant recipients and their auditors understand the Cooperative Research Centres eligible expenditure requirements because these determine whether, and the extent to which, certain costs are reportable and claimable.

The amount of grant funding we approve is based on the grant recipient’s estimated eligible expenditure, as provided in their application. However, the grant funding any grant recipient is ultimately entitled to receive is determined against actual eligible expenditure incurred and paid for on the project. The grant amount specified in the grant agreement is the maximum amount the grant recipient may be paid.

The expenditure reported in the ‘statement of grant income and expenditure’ at attachment A must represent actual ‘eligible expenditure’ paid on the project during that period.

Attachment B - Independent audit report

Background for auditors

The purpose of the independent audit report is to provide us with an auditor's opinion on the grant recipient's statement of grant income and expenditure. The statement of grant income and expenditure is prepared by the grant recipient to correspond with the expenditure reported to the department by the grant recipient for the same period, in the process of claiming grant payments.

The independent audit report must be prepared by a person who is an approved auditor.

An approved auditor is a person who is:

a. registered as a company auditor under the Corporations Act 2001 or an appropriately qualified member of Chartered Accountants Australia and New Zealand, or of CPA Australia or the Institute of Public Accountants; and

b. not a principal, member, shareholder, officer, agent, subcontractor or employee of the grant recipient or of a related body corporate or a Connected Entity.

The audit should be undertaken and reported in accordance with Australian Auditing Standards.

The independent audit report must follow the required format and include any qualification regarding the matters on which the auditor provides an opinion. We may follow up any qualifications with the grant recipient or auditor. The independent audit report must be submitted on the auditor's letterhead.

Auditors must comply with the professional requirements of Chartered Accountants Australia and New Zealand, CPA Australia and the Institute of Public Accountants in the conduct of their audit.

If the auditor forms an opinion that the statement of grant income and expenditure does not give a true and fair view of the eligible expenditure for the period, the independent audit report should be qualified and the error quantified in the qualification section of the independent audit report.

The required independent audit report format follows.
Auditor's report

Independent audit report in relation to [grant recipient name]'s statement of grant income and expenditure to the Commonwealth, represented by the Department of Industry, Innovation and Science (the department).

We have audited:

a. the accompanying statement of grant income and expenditure of [grant recipient name] for the period [dd/mm/yyyy] to [dd/mm/yyyy], a summary of significant accounting policies and other explanatory information, and management’s attestation statement thereon (together "the financial statement"). The financial statement has been prepared by management using the cash basis of accounting described in note 3.2 to the financial statement; and

b. [grant recipient name]'s compliance with the terms of the grant agreement between [grant recipient name] and the Commonwealth dated [date of agreement] for the period [dd/mm/yyyy] to [dd/mm/yyyy] (the grant agreement).

We have:

a. reviewed [grant recipient name]'s statement of labour costs in support of its claim of eligible expenditure; and

b. performed limited assurance procedures on [grant recipient name]'s statement of employee numbers under the grant agreement.

Management's responsibility

Management is responsible for:

a. the preparation and fair presentation of the financial statement in accordance with the basis of accounting described in note 3.2, this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in accordance with the grant agreement;

b. compliance with the terms of the grant agreement;

c. the preparation of the statement of employee numbers and labour costs in support of eligible expenditure; and

d. such internal control as management determines is necessary to:

   i. enable the preparation of the financial statement and the statement of [employee numbers and] labour costs that are free from material misstatement, whether due to fraud or error; and

   ii. enable compliance with the terms of the grant agreement.

Auditor's responsibility

Our responsibilities are:

a. To express an opinion, based on our audit, on:

   i. the financial statement; and

   ii. [Grant recipient name]'s compliance, in all material respects, with the terms of the grant agreement; and
b. To conclude based on:
   i. our review procedures, on the statement of labour costs; and
   ii. our limited assurance procedures on the statement of employee numbers.

We conducted our audit of the financial statement in accordance with Australian Auditing Standards; our audit of compliance with the grant agreement in accordance with ASAE 3100, our review of the statement of labour costs in accordance with ASRE 2405; and our limited assurance procedures on employee numbers in accordance with ASAE 3000. The applicable Standards require that we comply with relevant ethical requirements and plan and perform our work to:

a. obtain reasonable assurance about whether the financial statement is free from material misstatement and that [grant recipient name] has complied, in all material respects, with the terms of the grant agreement; and

b. obtain limited assurance as to whether anything has come to our attention that causes us to believe that the statements of employee numbers and labour costs are materially misstated.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement and about the grant recipient’s compliance with the grant agreement. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the grant recipient’s preparation and fair presentation of the financial statement, and to the grant recipient’s compliance with the grant agreement, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the grant recipient’s internal control. An audit also includes evaluating the appropriateness of accounting policies used by management, as well as evaluating the overall presentation of the financial statement.

A review consists of making enquiries and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on the statement of labour costs.

A limited assurance engagement undertaken in respect of the statement of employee numbers, in accordance with ASAE 3000 involves [level of detail about procedures to be determined by the auditor]. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion, review and limited assurance conclusions.

**Opinion**

In our opinion:

a. the financial statement presents fairly, in all material respects, the grant income and expenditure of [grant recipient name] for the period [dd/mm/yyyy] to [dd/mm/yyyy] in
accordance with the cash basis of accounting described in note 3.2 and the terms of the grant agreement, dated [date of agreement], with the Commonwealth; and

b. [Grant recipient name] has complied, in all material respects, with the requirements of the grant agreement between the organisation and the Commonwealth dated [date of agreement], for the period [dd/mm/yyyy] to [dd/mm/yyyy].

Basis of Accounting and Restriction on Distribution

Without modifying our opinion, we draw attention to note 3.2 to the financial statement, which describes the basis of accounting. The financial statement is prepared to provide information to the department in accordance with the grant agreement, dated [date of agreement]. As a result, the financial statement may not be suitable for another purpose.

Use of Report

This report has been prepared for [Grant recipient name] and the department in accordance with the requirements of the grant agreement between [grant recipient name] and the Commonwealth, dated [date of agreement]. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than [grant recipient name] and the department, or for any purpose other than that for which it was prepared.

Conclusions

Based on:

a. Our review, which is not an audit, nothing has come to our attention that causes us to believe that the statement of labour costs in the period [dd/mm/yyyy] to [dd/mm/yyyy] is not, in all material respects, fairly presented in accordance with the grant agreement dated [date of agreement] with the Commonwealth; and

b. The procedures we have performed and the evidence we have obtained, nothing has come to our attention that causes us to believe that the statement of employee numbers as at [dd/mm/yyyy] is not prepared, in all material respects, in accordance with the grant agreement dated [date of agreement] with the Commonwealth.
