Why Tokyo Tech

Tokyo Tech is the top national university for science and technology in Japan with a history spanning more than 130 years. You will work with leading researchers in cutting-edge research facilities and to learn about state-of-the-art Japanese technologies through our winter program.

Around Tokyo Tech

The main campus of Tokyo Tech in Ookayama, southwest Tokyo, is convenient to shopping and entertainment districts and to popular tourist areas, such as Shibuya, the Imperial Palace, Asakusa, and the port city of Yokohama.

Tokyo Tech Winter Program

winter.program@jim.titech.ac.jp

International Student Exchange Division
Tokyo Institute of Technology 2-12-1, Ookayama, Meguro-ku, Tokyo 152-8550 Japan
Tokyo Institute of Technology offers a winter program. Take part in the program and become a front-runner in the fields of science and engineering!

Japanese Cultural Experience
Participants can experience Japanese culture through a number of cultural and social activities, such as home visit program, tea ceremony, and club activities with Tokyo Tech students.

Program Expenses
Program Fee
30,000 JPY (282 USD, 1 USD≈106 JPY as of Mar. 2018)

Application, Admission, and Tuition
The following fees will be waived:
Application 9,800 JPY, Admission 84,600 JPY, Tuition 29,700 JPY/month

Accommodation
200,000 - 240,000 JPY in total (1,880 - 2,556 USD, 1 USD≈106 JPY as of Mar. 2018) *subject to change
Off-campus accommodations will be reserved by Tokyo Tech.

Air Ticket, Local Transportation and Other Living Costs
At the participant's expense.

Scholarships
A limited number of qualified students may be able to receive a JASSO or Tokyo Tech fund scholarship. Those awarded will be informed one or two months before beginning their studies.

Winter Program Overview
Participants will conduct individual research projects in Tokyo Tech labs under the guidance of Tokyo Tech faculty supervision. Students can also take one or two courses offered in the winter program with the permission of their academic supervisors.

Period of Program
November 27, 2018 – February 5, 2019 (10 weeks) *tentative

Eligibility
- Undergraduate students majoring in science and engineering-related fields who have completed their 3rd year by the time of participation
- Graduate students in science and engineering-related fields

Number of Participants
Up to 15 students will be selected to participate.

Research and Courses offered
- Research Project — 2 credits *compulsory
- Japan Studies — 2 credits *compulsory
- Japanese for Beginners — 1 credit *optional

Credit Transfer
Tokyo Tech can issue an academic record and a certificate of completion. How credits are transferred depends on the student’s home university.

Application Information
Deadline
June 30, 2018

Procedure
Apply through our online application system and submit the required items electronically by the deadline. Please refer to the following website for application details.
Tokyo Tech Winter Program website:
